CSI Students' Chapter organizes Guest lecture on "DATA AND CLOUD IN REAL WORLD" on 15.09.22 for third year students and final students of CSE. The guest lecture started with invocation song followed by a welcome address given by Hod of CSE **Dr. P.Valarmathi**, Professor. In her talk she emphasized the importance of basic Data & Cloud in Computing for the developments of engineering applications with specific examples. The Session began with the lecture by Resource Person **Mr. S. Gopi Balu, Software Architect, Ather energy , Bangalore**. He delivered the lecture on "**DATA AND CLOUD IN REAL WORLD**". During his lecture he gave many valuable suggestions to students about choosing their engineering career. He motivates the students by telling some situations. After his lecture he encourages the students to ask questions to him. The lecture was around 3 hours. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with honorarium to the guests and vote of thanks. At the end of the guest lecture, two students gave their feedback on how they were benefited.

Resource Person: Mr. S. Gopi Balu
